WHITE MORNING Illuminating face cream is specifically designed for people looking for a gradual solution, without side effects, to reduce the appearance of pigmentation spots and uniform skin tone. **WHITE EVENING** Unifying face mask is the ideal complement to the **WHITE MORNING** lightening cream to reduce the appearance of pigmentation spots and to uniformize the tone of the skin. 305-777-2543 or us.karinherzog.com

Matis Paris

Eyes & Lips Treatment Mask Extreme Comfort by Matis Paris is a cream mask rich in marine elastin, which when applied in a thin layer, acts as a nourishing treatment and, when applied in a thick layer, acts as a repairing treatment. It has been tested under dermatological control. 972-771-0300 or matisusa.com

The Lashe®

The Lashe releases new and improved packaging for **Rapid Dry Adhesive**. Since 2009, The Lashe adhesives are the safest and best performing medical-grade adhesive on the market. With new and improved packaging, which provides a better air-tight seal, adhesive is protected and kept fresh longer. The Lashe Rapid Dry Adhesive is the same quality of adhesive as those used for suture-less wound closure, making it the most sterile adhesive. 773-202-9399 or thelashe.com
